

**We would love your support!!**

The Central Alberta MX series is a not-for-profit business. The series started in 2020 as a grass roots, safe series that catered to riders of all ages and skill levels in Central Alberta.

When it comes to CAMS, we are here to support riders of every level and age. We dedicate a lot of time to get to know each moto family, as our series would not be what it is without them. Our team of volunteers works hard to provide a fun weekend for all riders, families and spectators.

We will start our next season in May 2025. This current year, our events consistently brought up to 400 race entries. We optimistically expect the same types of numbers as we move forward.

We would like to ask for your support for the 2025 season as a Partner in our series. Essentially as a partner, you will receive advertising throughout the year on social media and during the race weekends we have opportunities to help your company *stand out*. You will also receive an advertisement receipt from us as well.

Your support will help with insurance, trophies, year-end awards and operational costs.

Included below is our *Partner* description page. If you are interested in becoming a sponsor, please contact Shannon Kocyba at [shannonkocyba5@gmail.com](mailto:shannonkocyba5@gmail.com) or Donnie Halladay at [donnie@cabmx.ca](mailto:donnie@cabmx.ca).

Thank you in advance for your consideration.

Sincerely,

Central Alberta MX
